On Thursday evening at 7:45 o'clock, Miss Helene Johnson will address the Young Women's Christian Association art circle in her studio at Oahu College.

The board of directors of the Young Men's Christian Association will hold its adjourned monthly meeting tonight at 7:30, in the office of Secretary Coleman.

The band concert at Emma Square will be omitted this evening, as the band boys have been invited to attend the production of the "Fencing Master" at the Opera House.

The Buckeye Club of Hawaii will meet tonight at 7:30 o'clock, at the home of Dr. and Mrs. J. M. Whitney, 1325 Punahou street, near Beretania. All Ohiolans are cordially invited to attend.

It is understood that the rivalry heretofore existing between the Metropolitan Meat Company and the Honolulu Market, will probably be wiped out by the amalgamation of the two concerns.

In an article in Saturday's issue of the Advertiser, headed the "Taro Disease," the initials of the correspondent were misprinted. The name should have been T. F. Sedgwick, instead of G. F. Sedgwick.

The reduction of \$10,000 made in the police department by the Legislature, will cause High Sheriff Brown to drop off about eighteen men from the force of foot, mounted and special police on the island of Oahu, which will materially cripple the department.

Mr. W. G. Irwin has kindly donated the Opera House for tonight's benefit to Miss Josephine Stanton and her opera troupe. A great many society ladies are working very energetically to insure a big, rousing house, and the seats are selling off rapidly.

At a special meeting of Oahu stockholders, held on Saturday, in the offices of Brewer & Co., James F. Morgan and John M. Dowsett, as president and vice president, respectively, were elected to succeed Dr. Robert McKibben and John N. Walker, deceased.

If the Hawaiians really wish to perpetuate their language, one or more colleges for that purpose should be established on the islands, officered by learned Hawaiians. The people of the Territory would doubtless sanction legislative action looking to the establishment of such colleges.—Maui News.

WHOOPING COUGH.

A woman who has had experience with this disease, tells how to prevent any dangerous consequences from it. She says: Our three children took whooping cough last summer, our baby being only three months old, and owing to our giving them Chamberlain's Cough Remedy they lost none of their plumpness and came out in much better health than other children whose parents did not use this remedy. Our oldest little girl would call lustily for cough syrup between whoops.—Jessie Pinkley Hall, Springfield, Ala. This remedy is for sale by Benson, Smith & Co., Ltd., wholesale agents.

**The Angle Lamp**

ALSO CARRY A GOOD STOCK OF HANGING STAND AND HAND LAMPS

Another Large Shipment of Angle Lamps. THE ANGLE LAMP THE LIGHT THAT NEVER FAILS.

It seems almost incredible that any lamp could be good enough to take the place of electricity on even terms, yet such is the case with the ANGLE LAMP. All over the islands people are throwing away their old lamps and replacing them with this lamp, not merely because it costs about one-tenth as much to maintain (cost is no object to some people), but, besides being infinitely cheaper, it is more brilliant and more reliable in the bargain. It is a revelation to every one who uses it, and simply demonstrates that the old-fashioned lamp was a barbarous contrivance. THE ANGLE LAMP never smokes, smells or gives any trouble, is lighted and extinguished as easily as gas, and is the ideal light from every standpoint. We carry these lamps from \$1.50 up.
